

# CROSSCURRENT | 12

by CRUS YACHT

## Features

- Lightweight hull, three piece mast system plus a roll up sail design — everything quickly stores in the boat, is easily cartop transported and quickly launched
- Glass-reinforced plastic construction with post-cured polyester resin and PVC foam internal stringers make a stiff, solid, long lasting hull
- Open transom — no bailing
- Best-in-class cockpit volume with room for two
- Real teak deck provides a natural rich looking low maintenance non-skid surface
- Comfortable genuine mahogany seating rails
- Aerospace grade daggerboard and rudder designs with a clever rudder lift lock
- Strong, light weight high modulus 100% carbon fiber three piece mast, boom, tiller and rudder hinge
- Cool Wing 6.8 full horizontal battened Pentex sail covers a range of wind conditions and sailor abilities
- Carbon mast system allows natural depowering in higher wind velocities
- Lift attachment points for tender storage
